FIRST :

Using the first reading about the Marie Christine Hodeau news story (*Lecture A: Femme Enlevée*), please do the following:

- ◆ **Beginning with the title of the reading**, go through and find all of the **new vocab words** from this reading (from the Quizlet vocab list labeled "Partie A", which are all on this reading, **and** any you might find from the Partie B page of vocab—not all will be on there). **HIGHLIGHT THEM**, in **blue** or **orange** (in some color **OTHER THAN** yellow, green, or pink)
(If you don't have an appropriate highlighter, you can just circle)

- ◆ **label the vocab** you highlight with the English translation

→ This will probably take a good 45 minutes.

→ Don't worry about understanding the whole reading at this point. You're focusing on finding that vocab, and labeling.

NEXT :

Again, beginning with the title of the reading, find every *participe présent*, and box it in :

EX :

Un homme,

cherchant

 son petit chien perdu, est tombé dans le grand trou.
