

SUPER DUPER QUAND RULE homework : (see examples, attached)

Make up sentences about things people WILL DO when they WILL BE (are) old:

Just do these first 2 sets for homework.

Part 1

- 5 about yourself (*Quand je serai ^mvieux/vieille, je.....*)

Part 2

- 5 about someone else (*Quand il/elle sera vieux/vieille, il/elle....*)

Part 3

- 5 QUESTIONS about « vous » (talking to ms chabot)

Quand vous serez vieille, est-ce que vous.... ? <-- the ... part is in the FUTUR..... use half regular/half irregular verbs.

TRANSLATE ALL

(EX. : Quand il sera **vieux**, il achetera stamps.=When he is [will be] old, he will buy stamps. (*If this sentence were about a female, *vieux* would change to *vieille*!)

When you translate, do it like this so I can see that you know both what it literally says, and what it's the equivalent of in English.
